

### **AGRICULTURAL ENGINEER**

We are a progressive Matamata company servicing the farming community with Dairymaster milking systems, water systems, filtration plants and general engineering. Experience in the industry is an advantage.

**We have a position available for an experienced, energetic TRAINED machine tester / dairy shed technician who has an eye for detail.**

**This position is for IMMEDIATE start.**

**The successful applicant must -**

- ◆ Be able to work as a member of a team and independently.
- ◆ Show initiative - Think outside the box.
- ◆ Be honest and reliable
- ◆ Have knowledge of milking equipment.
- ◆ Be available for weekend call out work on a rostered basis.
